

# Rock your way to a cave full of coins.

This is no Tarzan rerun. Caveman Ninja™ brings your gamers cartoon characters set in prehistoric times. They'll battle their way through jungles and fight against beasts, flying pterodactyls, and deadly dinosaurs as they try to rescue the captured cave-babes. This captivating videogame jungle adventure will bring out the beast in gamers of all ages. This 2-player interactive video kit has proven consistent earnings in locations nationwide.

Kit contains:

- Marquee Graphics
- Control Panel Cover
- Side Panel Graphics
- 8-way Joystick, Harness and Button Controls
